

dandy
living collection

IKONA

IKONA
dandy collection

Dandy si sviluppa a partire da una speciale costruzione a folding, in cui la scocca appare come un pezzo unico che può essere completato da un'anta telaio in diverse finiture e colori. Come in una scatola di cartone, poche pieghe creano un oggetto versatile pur nella sua semplicità.

Dandy unfolds from a special construction using a folding technique, where the structure seems to be a single piece that can be finished off with a framed door in different colours and finishes. Just like in a cardboard box, a few folds create a simple yet versatile object.

inspiration
Tutto inizia da una scatola

Scatole che contengono oggetti; scatole che contengono altre scatole e moltiplicano il contenimento; scatole che si aprono e si chiudono; scatole che si trasformano in qualcos'altro. Il design non è un gioco ma permette di giocare: con le forme, gli spazi, i materiali e i colori.

Da queste ispirazioni nasce Dandy.

It all starts with a box
Boxes that contain objects; boxes that contain other boxes and multiply the storage space; boxes that open and boxes that close; boxes that transform into something else. Design is not a game, but it allows you to play: with shapes, spaces, materials and colours.

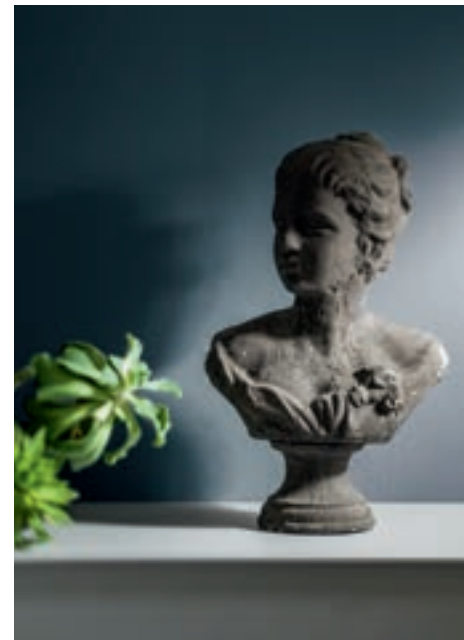

These are the inspirations behind Dandy.

Moduli in libertà per comporre lo stile
Free units to create your look

Simple in shape, these open units can be inserted among the base or wall units and are open to new and personalised interpretations that complement this unique style.

IKONA

Essenziali nella forma,
gli elementi a giorno si
inseriscono tra le basi o
nei pensili e si prestano a
interpretazioni inattese
e personali che esaltano
l'unicità dello stile.

dandy collection 8 | 9

Il design esplora nuove dimensioni
Design explores new dimensions

The Trial finish with a diamond-pattern effect creates original tactile and visual solutions. A 3D effect transforms the fronts, adding extra interest and emphasizing the sophisticated feel of the whole composition.

La finitura Trial con lavorazione "a diamantino" crea soluzioni originali a livello tattile e visivo. Un colpo d'occhio tridimensionale che trasforma i frontali, li carica di valore ed esalta la ricercatezza dell'intera composizione.

Inediti giochi di volumi
New explorations of shape

Le geometrie più
semplici assumono un
significato alternativo,
grazie all'accostamento
di moduli a giorno e
ante telaio. Questo è lo
spirito Dandy: rendere
l'ordinario straordinario
con pochi ma decisi
tocchi di design.

dandy collection 16 | 17

The simplest of shapes take on new meaning thanks to open units and framed doors being used side by side. This is the spirit behind the Dandy collection: making the ordinary, extraordinary, with just a few, well-targeted design tweaks.

Uscire dagli schemi per dare nuove forme alla parete: pensili e moduli a giorno si adattano a una serie di soluzioni compositive tutte da sperimentare.

IKONA

Molteplici variazioni sul tema
Multiple variations on a theme

Think outside the box to give new form to your wall: wall units and open-fronted units adapt to suit a series of composition solutions just waiting to be explored.

inspiration
**Spazi progettati
per contenere spazi**
Spaces designed to hold spaces

Empty areas open up unexpected spaces into sizeable proportions, unveiling recesses for storing and displaying, at the same time hiding away and revealing their contents. Dandy has an eclectic core that wants to experiment with empty and full spaces.

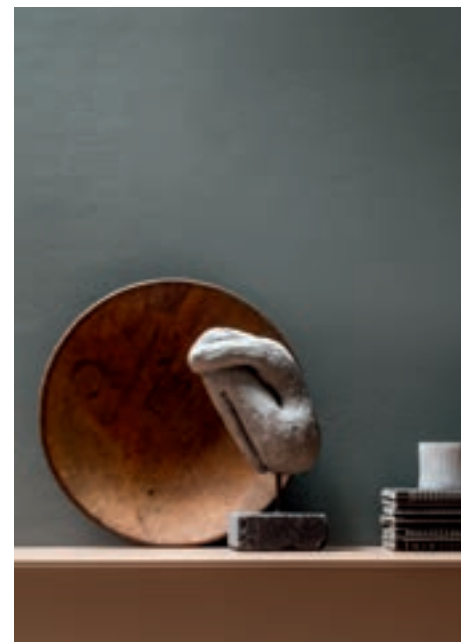

I vuoti aprono spazi inaspettati in volumi importanti, svelando nicchie che contengono ed espongono, racchiudono e allo stesso tempo mostrano. Dandy ha un'anima eclettica che ama sperimentare i pieni e i vuoti.

Accostamenti di forme e colori
Shapes and colours used together

The details are what define the style.
This is the case for the wood insert, teamed
with matt lacquer, to dress and furnish the
living room with elegant, on-trend shades.

IKONA

Sono i dettagli a definire lo stile.
È così per l'inserto in
essenza abbinato al
laccato opaco, che
veste e rivestono il
living con tonalità
eleganti e alla moda.

dandy collection

Varietà di elementi
Variety of elements

Dandy è libertà di unire elementi diversi e originali, di abbinare colori e finiture, con gusto e creatività.

Dandy represents the freedom to combine various and original elements, to match colours and finishes, all with taste and creativity.

Dalla semplicità
di una scatola nasce
l'ispirazione per
originali soluzioni
d'arredo. Le forme si
aprono e si chiudono,
scompongono e
moltiplicano gli spazi.

From a simple box came the
inspiration for original furniture
solutions. Shapes open
and close, breaking up and
amplifying the space.

inspiration

La scatola delle nuove idee

A box of new ideas

dandy collection 36 | 37

dandy collection

Stile d'arredo e di vita
Furniture styles, lifestyles

Raffinatezza e imprevedibilità sono componenti imprescindibili dell'animo Dandy. Il gusto estetico si esprime nella ricerca continua di nuovi modi di comporre il living, di approcci diversi ai volumi e agli spazi.

Elegantly unpredictable: this is the inescapable concept behind the Dandy collection. Aesthetic taste is expressed in a continuous quest for new ways to compose the living space and different approaches to shape and space.

inspiration

Sono tante le soluzioni compositive: gli inserti si trasformano in elementi di un gioco creativo che permette di dare forma al living perfetto.

There are many compositional solutions: the inserts can be creatively transformed into playful units that give shape to the perfect living space.

IKONA

dandy collection 42 | 43

Il design del modulo Fold riprende il concetto di "estensibilità" delle scatole di fiammiferi. Può essere posizionato in diversi modi tra i pensili e una volta fissato non si sposta.

The design of the "Fold" unit picks up on the concept of 'extension', inspired by the design of a matchbox. It can be positioned in different ways among wall units and, once in place, it remains fixed.

dandy collection

La cornice conquista il living
The frame wins over the living room

Nello stile Dandy ogni elemento deve trovare la giusta collocazione e la cornice adatta ad esprimere tutto il suo valore estetico. Un'attenzione costante alle forme e ai dettagli che vuole stupire e affascinare.

In Dandy style, every element has to find the perfect spot and the frame adapts to show off its full aesthetic flair. Constant attention is paid to shapes and details to surprise and seduce.

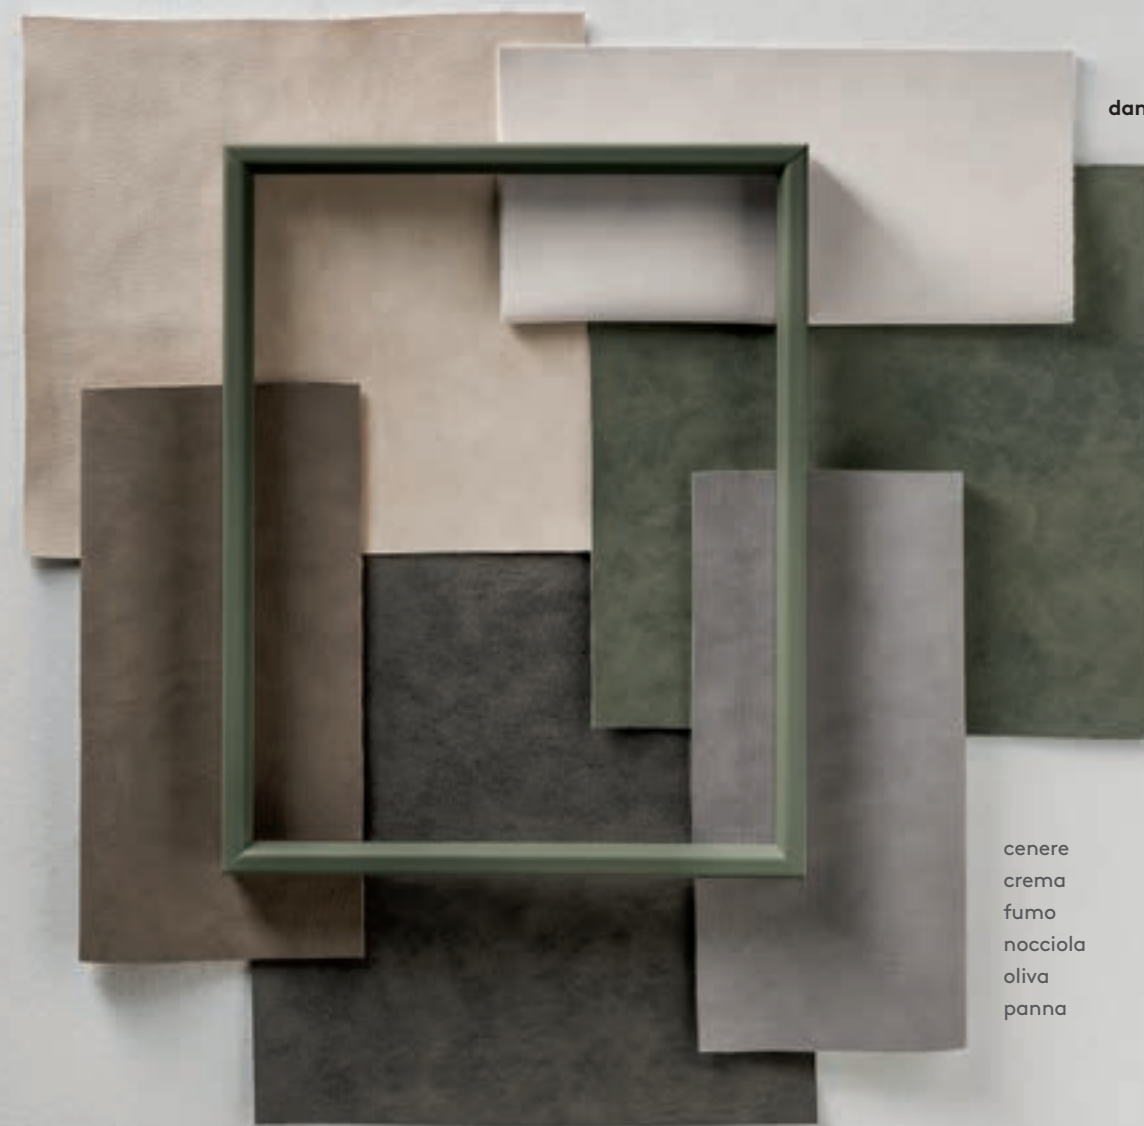

Il profilo sottile dell'anta telaio racchiude e dà risalto a una pregiata finitura in ecopelle, disponibile in sei diverse tonalità, per un effetto materico di grande tendenza.

The thin profile of the framed door encloses and emphasises the luxury eco-leather finish, available in six different shades, to create a truly current textured effect.

**Stessa forma a L per due elementi
distinti: panca ad "L" e moduli
a giorno. Il design si trasforma
per assecondare sia le funzioni
dell'ambiente sia la propria personalità.**

Two different units: a TV stand and an open-fronted unit. The design adapts to suit the purpose of the space, and its personality.

IKONA

Il trasformismo delle forme

Shapes that shift

dandy collection 50 | 51

Un modulo
progettato per
inserirsi
in altri moduli:
Inside si incastra
perfettamente nei
volumi e li
alleggerisce
definendo
nuovi spazi.

Volumi "effetto matrioska"
The Russian doll effect

A unit designed to be put in other units,
"Inside" slots perfectly into different spaces
and softens the shapes to create a new look.

IKONA

dandy collection

Un complemento per la tv
Furnishings for the TV

Lo schienale porta tv si inserisce tra i pensili e le basi per completare la parete attrezzata. Un elemento in più che aggiunge funzionalità allo stile. La composizione passa gradualmente dai toni chiari a quelli più scuri.

The TV unit back panel slots in between the wall units and base units to complete the accessorised wall. An extra element adding function to style. The composition moves gradually from paler tones to darker shades.

IKONA

dandy collection

Due arredi in uno
Two in one

La personalità di Dandy è versatile e mai uguale a sé stessa, per questo ama gli elementi che sembrano una cosa, ma sono anche qualcos'altro. Come la madia divanetto: due funzioni distinte per creare un'armonia d'insieme.

Dandy is versatile and never repetitive; this is why the collection is full of elements that are not always what they seem. Just like the sofa-sideboard: two distinct functions that create a harmonious single product.

IKONA

Prolungare il relax
Extend relaxation

**La base sospesa
termina in una
seduta che ne
prolunga le forme e
la praticità, andando
a creare uno spazio
adatto al relax
totalmente integrato
nella composizione.**

dandy collection 64 | 65

The suspended base unit ends with a seat that draws out its shape and its practical uses, creating a space to relax in, fully integrated into the composition.

IKONA

IKONA

complementi

design stefano spessotto

66 | 67

Il complemento d'arredo protagonista del living, ma anche di altri ambienti della casa, viene reinterpretato seguendo il gusto raffinato ed estroso di Dandy.

The focal point of any living room space, as well as in other areas of the home, has been reinterpreted in original, elegant Dandy style.

dandy collection

Il doppio gioco del complemento
Dual-effect of the complement

L'alternanza di ante
telaio e moduli a giorno
contraddistingue
il complemento.

La precisione
delle forme incontra
la leggerezza visiva,
mentre l'eleganza di
una sottile cornice
valorizza la finitura
effetto legno.

Alternating framed doors and open-fronted modules create a distinctive look for this pair of suspended complements. With precise shapes and an airy look, the units feature a slim, elegant frame that accentuates the wood-effect finish.

IKONA

70 | 71

Il complemento
sospeso si impone
come protagonista
assoluto della stanza:
una grande capacità
contenitiva e un
marcato andamento
orizzontale sono
accentuati dal vivace
accostamento di
finiture in essenza
e laccato.

IKONA

The suspended accessory dominates as the feature piece in the room. It offers excellent storage space and a bold horizontal structure, which are enhanced by a lively combination of wood and lacquered finishes.

La praticità che arreda
Practically furnished

La madia ripropone lo schema dei pieni e dei vuoti, in modo del tutto personale. Un arredo dal grande valore estetico, che rivela anche una forte predisposizione alla funzionalità.

The sideboard replicates the open and closed unit pattern in a completely personalised way. This furniture style has great visual impact, with a strong focus on practicality too.

Finiture che fanno la differenza
Finishes that make the difference

La nuova finitura Trial è al centro dell'attenzione, incorniciata e messa in risalto dall'abbinamento di colori e forme: un tocco di stile immediato, che esprime chiaramente il carattere e l'unicità di Dandy.

The new "Trial" finish is the centre of attention, framed and emphasised by the colours and shapes used with it. An immediate splash of style, that clearly expresses why Dandy is so unique and full of character.

Reposition units, redefine spaces and combine finishes: in the Dandy collection, everything can be experimented with to express your own personality in all of its multiple forms.

Riposizionare gli elementi, ridefinire le proporzioni, combinare le finiture: nella collezione **Dandy tutto si presta al gioco**, alla sperimentazione, all'espressione della **propria personalità** nelle sue molteplici sfaccettature.

Il design minimal dei piedini sostiene il volume della madia con naturalezza: un accenno dal sapore urban, per sottolineare il carattere moderno della collezione.

IKONA

dandy collection 82 | 83

The minimalist design of the feet supports the sideboard with ease: an urban touch that underlines the modern feel of this collection.

dandy collection

Elementi che estendono lo spazio
Units that extend the space

Lo scrittoio amplia le sue funzioni tramite l'elemento integrato che la trasforma in angolo home office. Uno spazio pratico per rispondere alle esigenze e alle tendenze dell'abitare moderno.

The writing desk extends its uses with an integrated element that transforms it into a home office corner. A practical space that responds to the needs and trends of modern living.

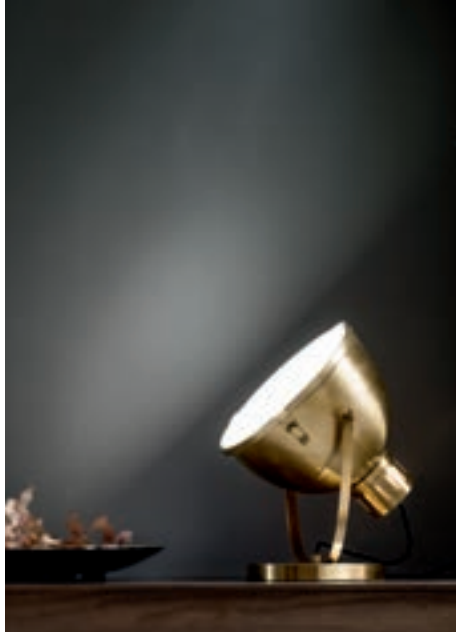

IKONA

84 | 85

TVD 1001 / L 1375 H 1115 P 498 Matwood COFFEE/Laccato Opaco NEVADA

Variare le finiture e i loro accostamenti può conferire allo scrittoio una diversa sfumatura di carattere: la filosofia di Dandy è l'adattabilità dello stile a tutti i gusti.

IKONA

Ad ogni personalità le sue finiture
Finishes for every personality

Mixing up finishes and how they are used together can give the desk different personalities. The Dandy philosophy is for style to be adaptable to suit all tastes.

dandy collection 86 | 87

CND 1001 / L 1650 H 1079 P 394 Matwood Dark/Eco PEPE

Tavolini multiformi e multiuso
Multi-purpose, multi-form tables

Il vero stile Dandy sa esibire uno humor sottile. Come nei tavolini, che interpretano con originalità uno scrittoio moderno: ripropongono il telaio e le finiture di basi e pensili, rendendoli contenitori e basi d'appoggio.

dandy collection 88 | 89

Real Dandy style is capable of expressing subtle moods. Take the tables, which offer an original take on a modern desk. They pick up on the frame and finishes used for the base and wall units and turn them into storage units and handy surfaces to rest on.

dandy collection

Far quadrare il cerchio
Squaring the circle

Nel design lineare della collezione emergono le sagome circolari dei tavolini in diverse dimensioni e altezze. Singolarmente, in coppia o in gruppo, con un'unica finitura o mixati, i tavolini completano il living.

From the linear design of this collection come the circular shapes of the tables in different sizes and heights. Singularly, in pairs or grouped together, in a single finish or mixed, these tables complete the living space.

IKONA

dandy technical

design stefano spessotto

92 | 93

Dandy è una collezione che permette molteplici soluzioni d'arredo: gli elementi e le finiture di ogni composizione possono essere combinati in modo diverso per dare forma a più alternative. Il living si apre a progetti inediti e personalizzati.

Dandy is a collection that allows for multiple different furnishing solutions: finishes and units in every composition can be combined together in different ways to create alternatives. The living space opens up to personalised designs, never seen before.
