

SUPPLEMENT

2018

2018 SUPPLEMENT

We are pleased to present to you a preview of our new ranges and models that are under development and will be launched during the second half of 2018. Final details and any changes in production models will be updated in the master catalogue.

Highlights include many stylish new families, more options of wall lights, flush and semi-flush ceiling mounts and a big introduction of table lamps. For 2018 we will be delivering our table lamps as complete products with most featuring the harp and finial arrangement.

All of these new products will be integrated within our full range as part of our new 2018 / 2019 Master catalogue which will be split between indoor lighting and outdoor lighting for the first time. This new master catalogue will be expected somewhere towards the middle of the year, and you can order in advance through the Catalogue page of our website.

You will see that some models are part of a new brand known as Light Box Collection™. These models are a special collection which in some territories have selected/controlled distribution channels. Please speak to your local distributor or sales office to check first.

Stunning clear, textured crystals floating within a laser cut frame give the Lexi lighting collection from Feiss an artisan feel. A White Shantung Silk shade sits within the crystal drum while a glass diffuser gently softens the light. Lexi's staggered crystals blend a soft, contemporary vibe with an element of drama.

Models shown: FE/PAVE5 & FE/PAVE1

Inspired by the craftsmanship of fine jewellery, a Crystal inlay is coupled with the Polished Nickel finish and White Shantung Silk shades in each fixture of the Pavé lighting collection to add sparkle in an unexpected way. This transitional design delivers vibrant elegance to any room's design without overpowering the rest of the beautiful décor. The wall light features an Opal Etched glass shade.

Models shown: FE/VINTNER5

Wine glass-shaped, Opal Etched glass shades inspired the name of the transitional Vintner collection by Feiss. The sweeping design uses smaller arms at the top and slightly larger arms below. A decorative sphere detail acts as a perch for each glass shade for an elegantly simple silhouette in a Satin Nickel finish.

Models shown: FE/TILLING1 DSGL

The architecturally-savvy Teva wall light has a sculptural mounting structure and a White Shantung Silk shade. It is constructed in steel and offered in either a Polished Nickel or Antique Bronze finish. Inspired by the fluid lines of a vintage scale, the oversized profile of the Tilling wall light makes a statement with its traditional styling and use of Weathered Iron and Distressed Goldleaf finishes. The fixture is nicely balanced by a White Linen shade. Both models can be fitted without the top finial.

Models shown: FE/MARLENA1 CH

The Katerina is truly a work of art, with two architectural arms securing a crystal-like glass and a cleverly concealed light source, for an ultimately sophisticated design. The geometric Marlena takes inspiration from an oversized door knocker. A solid oval loop elegantly frames the Clear glass shade. Both feature a sleek steel backplate, offered in Antique Bronze or Polished Chrome.

Models shown: FE/RUBIN/ISLE

The clear, faceted glass shades of the Rubin lighting collection serve as the central design element and add a romantic elegance and sparkle to these contemporary fixtures. A clean, sleek look is achieved with round and rectangular chandeliers which will be perfect in a foyer, living or dining room. Or a more playful, fanciful statement can be made by clustering pendants together to create a look that's reminiscent of a floral bouquet.

QUINTO GREY

The new, comprehensive Quinto Grey collection designed by Elstead Lighting puts a sophisticated, modern spin on task-style lighting. A two-tone painted and metal plated finish provides unique character in Grey/Polished Nickel. Table, floor and wall options offer great functionality, whilst the ceiling products are statement pieces with bold silhouettes.

QUINTO WHITE

The new, comprehensive Quinto White collection designed by Elstead Lighting puts a sophisticated, modern spin on task-style lighting. A two-tone painted and metal plated finish provides unique character in White/Aged Brass. Table, floor and wall options offer great functionality, whilst the ceiling products are statement pieces with bold silhouettes.

EUROPA

Earning the namesake of Jupiter's smallest moon, the white painted domes of the Europa range all feature integral LEDs hidden in the bottom of the metal shades. Their light bounces off the surface inside to throw out a bright and effective glow. All are height adjustable and feature a textile cord cable, matching the colour of the adjustable steel wires.

Code	Description	Height	Width	Min. Drop	Max. Drop	Finish	Max. Wattage
EUROPA/P/A	Small LED Pendant	184mm	181mm	294mm	1720mm*	White	16W Integrated LED (2700k, 538Lm)
EUROPA/P/B	Medium LED Pendant	178mm	349mm	286mm	1716mm*	White	30W Integrated LED (2700k, 938Lm)
EUROPA/P/C	Large LED Pendant	137mm	498mm	244mm	1671mm*	White	30W Integrated LED (2700k, 1847Lm)

* Supplied with adjustable steel wire - 1499mm

The Nico pendants feature a cage profile with dramatic geometric flair. Clean lines seamlessly transition into curves, which all meet at a perfect point by using superior hand-welding techniques. The exposed bulbs are central to the design, so Edison-style LED bulbs are a perfect choice. Finished in Chrome.

DREYFUS & EVINGTON

The Dreyfus semi-flush by Kichler has a clean, modern silhouette with a show stopping optical crystal accent, which can be removed for lower ceilings. Available in Classic Pewter or Olde Bronze. The Evington semi-flush by Feiss has a flowing, traditional form with contemporary flair. Available with either a Sunset Gold or Satin Nickel finish, this product has a Blown Opal Etched glass shade and is accented with a clear sphere.

ASTRID

Sleek and chic, Astrid is designed as an airy geometric beauty balanced with robust welded construction. The larger pendants have an inner light cluster, uniquely wired from the bottom, which appears to float inside the outer cage. The two-tone finish further enhances the layering effect for added depth and dimension.

Gilded Nola

Arabella has a beautiful Distressed Gold metal outer shade with a Cream linen fabric shade and glass diffuser to soften the light. The pendants are duo-mount to semi-flush fittings which allows the rod stem to be shortened to accommodate rooms with low ceilings. The half moon wall sconces are great for compact rooms and corridors. This range is ideal for retrofit LED lamps.

LEMURIA

The Lemuria family designed by Karyl Pierce Paxton uses the classic Grecian key motif in a rich Distressed Gold finish. Ivory White linen shades and opal acrylic diffusers are used to create a soft warm light. The duo-mount pendants come with adjustable height rods but can also be used as semi-flush ceiling fittings. This family is ideal for retrofit LED bulbs.

Models shown: QZ/LAKESIDE/P/A

The eclectic Lakeside collection brings together three distinct designs, all sharing the same Vintage Gold finish. Their metal frames are painted in hues of silver and pale gold with black speckling. Combined with varying styles of glass accents, these products shimmer and sparkle for a beautiful statement wherever they are placed.

WYATT

Reinventing a classic, Wyatt's bold design tames the Wild West. Its refined rustic silhouette reinterprets the wagon wheel in a solid wood polygonal ring tailored with modern sensibility. Deluxe details, such as textured metal brackets and candle sleeves, a wood-trimmed canopy and forged hooks enrich its luxe lodge appeal.

CROWN

The new Crown range designed by Elstead Lighting is inspired by royal regalia and imagery from the UK royal heritage. Key features of the metal-work include unique hexagonal tubing and detailed fretwork bands, finished with a grey hand painted finish that includes a subtle water droplet effect. The range also benefits from compact heights, ideal for properties with lower ceilings.

CROWN/SF
Shown as Pendant

The Crown Semi-Flush is supplied with chain to be converted to a pendant.

GLAZED CERAMIC

BY ELSTEAD LIGHTING

The quality craftsmanship that goes into every handmade base of our Glazed Ceramic collection is palpable. From unique shapes to exquisitely detailed glazes, these beautifully designed products are ideal to add a splash of colour or point of intrigue to any interior décor.

Whilst our table lamps undergo vigorous quality checks, please be aware that the nature of reactive glazes means that the lamp you receive may not appear exactly as pictured, and colours will vary from base to base.

BATHROOM LIGHTING

IP44 LED

Inspired by fine jewellery, the Jessie LED vanity light by Feiss features faceted crystals to enable dramatic reflection of light, softened by a white diffuser behind. Charming and graceful, the Bennett wall light by Hinkley has petite arched arms and latches, while the pressed prismatic glass adds a dash of vintage panache.

OUTDOOR LIGHTING

With a soft, updated approach to the Prairie design style, the Hodges outdoor collection by Feiss has a simple yet refined farmhouse look. Great craftsmanship and technique is applied to bend the metal roofline and to create the loop at the crown. An Ash Black finish combined with Clear Seeded glass panels provides a warm welcome. Constructed of a weather resistant composite material for added strength, durability and longevity, the collection offers a 5-year warranty.

GUARANTEE INFORMATION

GENERAL 2 YEAR GUARANTEE – All fittings supplied from this catalogue, both interior and exterior, have a manufacturer's minimum guarantee of 2 years. This means that in normal and fair service, (and without incorrect or inappropriate installation or location), any product sold by Elstead Lighting or its partners should have no fault develop within a minimum of 2 years from purchase. Any fault that is found is covered by guarantee to be repaired or replaced at the suppliers cost, within this period.

OUTDOOR LIGHTING GUARANTEES

2 AND 3 YEAR ANTI-CORROSION GUARANTEES – Many outdoor fittings have anti-corrosion guarantees stated on each relevant page. This guarantee relates to the corrosion of paintwork on cast aluminium or steel fittings, and excludes locations within 5 miles of the coastline. Fittings that have been damaged, repainted or cleaned with an aggressive cleaner may be excluded.

COASTAL COLLECTION 5 YEAR GUARANTEE – These fittings are designed to be placed in the toughest of conditions including right by the coastline without exclusion. This guarantee covers protection of the finish against corrosion or UV degradation.

15 YEAR WARRANTY AGAINST STRUCTURAL FAILURE – Those models listed in our Scandinavian Collection as having a 15 year warranty are guaranteed, that from purchase to within 15 years of normal use, the fittings will not deteriorate to any extent where they experience any structural failure. There may be signs of aging, corrosion or paint fading, but the integrity of the construction of these fittings means they will not deteriorate to any extent where they are rendered unusable within a lifetime of 15 years.

LIMITED LIFETIME WARRANTY – This warranty relates to certain ranges/models shown in this catalogue which are produced of materials that have an exceptionally long life expectation, such as solid brass lanterns. These fittings may age over time, but will not deteriorate to an extent where they will no longer function for the purpose intended. The "Limited" element relates to component parts such as rubber seals, lamp-holders etc. which are repairable but are not covered by the Lifetime warranty.

PLEASE NOTE: Prior to agreeing to replace any fittings, the company reserves the right for the original seller or a representative of the company to inspect the damaged parts and for photographic evidence to be supplied.
